Ofício nº 052/MPD/GAB/2012

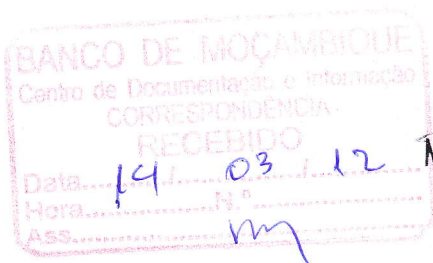

Maputo, March 8, 2012

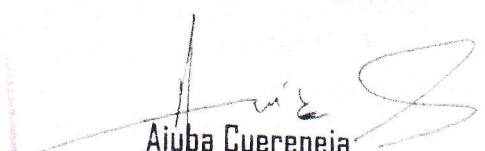

Subject: Submission of the final allocations table for the Mozambique's SPCR

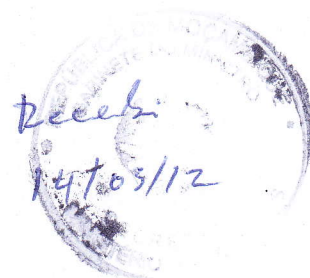

Dear Mss. Madam,

1. You will be aware that under the Pilot Program for Climate Resilience (PPCR) the Government of Mozambique has completed the preparation of the Strategic Program for Climate Resilience which was endorsed by the PPCR Sub-Committee in June 2011, with comments and recommendation from the Board Members;
2. In response to key comments and recommendations, in November 2011, the Government of Mozambique submitted to CIF the revised SPCR document addressing the comments from the External Review and integrating the SPCR Results Framework.
3. This document serves to submit to CIF the final allocation table which has been recently agreed between the Government of Mozambique and the MDB's (the WB, the AfDB and the IFC), with the following changes to the initial SPCR proposal:
 - i) The provisions of \$1 million grant funding for the IFC projects. The IFC will use this funding to provide technical assistance and advisory services for its four projects throughout the duration of the PPCR;
 - ii) The change of title of one of the projects, from "*Enhancing Climate Resilience Agricultural Production and Food Security*" to "*Baixa Limpopo Irrigation and Climate Change*"; and;
 - iii) Reduction of the total SPCR projects amount from \$102 million to \$86 million to fit within the SPCR funding endorsed by the PPCR Sub-Committee in June, 2011.

Sincerely,

Aiuba Cuereneia
Minister of Planning and Development
