

Construction Innovation Forum · NOVA Award Nomination Instructions

- Sheet 1** This is the "Signature Page" — Provide original signatures in Section B and E on this page. Signed letters may be substituted for original signatures.
- On line A of this page enter a descriptive Name of Innovation for the Process/Method/Technique/Project/Product you are nominating.
 - If you need additional space, you may attach additional pages of names and addresses. You may attach extra pages only for Sheet 1.
- Sheet 2** "Innovation Description" — Attach one (one only) 8-1/2" X 11" page that gives a succinct description of the innovation, in searchable text (not text in a figure). Put the name of the innovation at top of page. Provide the following specific information. Without it, the Jury cannot evaluate and seriously consider your nomination.
- What the innovation is and why it is innovative
 - What it changed or replaced
 - Where and when it originated, has been used, and is expected to be used in the future
 - If the nomination is for an innovative project, specifically identify each of its innovations.
- Sheet 3** "Innovation Illustration" — Attach one (one only) 8-1/2" X 11" page that contains one or more photographs, drawings, graphs, clauses, etc. that visually describe the innovation. Do not submit more than one page of visuals. The Jury will see only one page for review. Put the name of the innovation at top of page. If possible, enclose one set of computer files (jpg, gif, tif, or png files) and/or original prints of visuals to be exhibited on the CIF web site, www.cif.org.
- Submit** Submit Nomination by E-Mail Attachment by March 1 to info@cif.org or by Regular/Air/Express Mail postmarked by March 1 to Construction Innovation Forum, 6494 Latcha Road, Walbridge, Michigan, U.S.A. 43465, U.S.A. Mailed submittals must be five sets of Sheets 1, 2, and 3 (total = 15 pages). Visit www.cif.org for further information and to see prior nominations.
