Approval by mail: CTF India: Partial Risk Sharing Facility for Energy Efficiency (PRSF)

**Approval by mail: Morocco: Noor II & III Concentrated Solar Power (CSP) Project CTF
(AfDB and IBRD)**

Approval by mail: Morocco: Clean and Efficient Energy Project (CTF) IBRD

Dear Patricia,

In light of the preparations required for the upcoming CIF Committee meetings, we are unable to consider providing an approval for three projects which have recently been circulated: 1) Morocco, Noor I and II Concentrated Solar Power Projects; 2) Morocco, Clean and Efficient Energy Project; and, 3) India, Partial Risk Sharing Facility. We appreciate the need to move forward with approving projects in the pipeline, however, we also want to ensure well-informed decisions are made regarding CTF resources. We therefore request an extension for these projects until after the conclusion of the CTF committee meetings.

Best regards,
Jennifer
