**Comments from Japan on the Approval by Mail: Cambodia: GMS Southern  
Economic Corridor Towns Development Project (ADB)**

Dear Patricia,

Please see the comments below from JICA (Japan International Cooperation Agency) on the GMS Southern Economic Corridor Towns Development Project in Cambodia. We appreciate your consideration to the comments.

(JICA's comment)

During the construction stage of the project, there will be on-going projects funded by other donors in each area. Please have consultations with other donors in order to avoid duplication and overlapping as well as to promote smooth implementation of the each project.
