Response of World Bank on Approval by mail: India: Development Policy Loan (DPL) to Promote Inclusive Green Growth and Sustainable Development in Himachal Pradesh (HP)

Dear CIF Admin & Trust Fund Committee Members,

I thank all the Trust Fund Committee Members for their extremely useful feedback and helpful comments on the India: DPL to Promote Inclusive Green Growth and Sustainable Development in Himachal Pradesh (HP). I trust the IBRD will take these views and comments into consideration and respond to all the questions soon.

This project has been discussed in two Trust Fund Committee meetings so far and now we would really appreciate if answers to questions are obtained by email and approval is given through mail instead of pushing the project for a regular discussion in the TFC meeting. This is a crucial project and I am sure the IBRD and the Governments of India and Himachal Pradesh are on a critical path.

I once again thank the TFC members for their interest in the project and their understanding and hope to see the final approval soon.

With best wishes
