Approval by mail: Kenya: Electricity Modernization Project (SREP) (World Bank) - Project Implementation and Supervision Services – Comments from UK

Dear Mafalda,

Thank you for sending through this request for payment. It is difficult for us to approve this in the absence of some sort of progress report so that we have some basis for assessing its merit. Perhaps the pro-forma could have a section which reports briefly on progress made.

We would like to request a brief update on progress to justify the request.

Kind regards

Simon
