Recalling its endorsement of the *CTF Investment Plan for India* in November 2011, the CTF Trust Fund Committee reviewed the *Revised Investment Plan for India*, and takes note of the updates on the implementation of the projects and programs financed by the CTF and the following revisions to the Investment Plan:

1. Dropping the following projects totaling USD 400.0 million in CTF funding:
 - a. *National Mission on Enhanced Energy Efficiency (NMEE)- Perform, Achieve, and Trade (PAT) Phase I* (USD 50.0 million - World Bank)

The CTF Trust Fund Committee endorses the revisions presented in the document entitled, *CTF Revised Investment Plan for India* (dated July 2015), submitted by the Government of India, the World Bank and the Asian Development Bank (ADB), as a basis for the further development of the proposed activities for CTF funding and notes that the total indicative allocation after the revisions remains at USD 775.0 million in CTF funding. The Trust Fund Committee recalls that the approval of CTF funding by the Committee is dependent upon the submission of high quality project or program proposals.

If we do not receive an objection to this proposed decision by close of business on **July 24, 2015**, the decision will be approved.

Sincerely,
