Dear Hopeton,

Subject: Endorsement of Jamaica's Strategic Program for Climate Resilience (SPCR) under the PPCR

I am writing to thank you again for your participation in the recent meeting of the Sub-Committee for the Pilot Program for Climate Resilience and to warmly congratulate you on the excellent presentation you made to the Sub-Committee to introduce Jamaica's proposed program.

As you are well aware, the Sub-Committee reviewed Jamaica's Strategic Program for Climate Resilience and endorsed it as a basis for the further development of the projects foreseen in the program. The decision has been recorded in the Co-Chair's summary of the meeting which is attached to this letter for your records.

Please do not hesitate to contact the CIF Administrative Unit or the staff from the Inter-American Development Bank or the World Bank Group working with you on the SPCR and the Caribbean PPCR regional component should you have any questions or required further clarification.

We look forward to receiving the project proposals identified in Jamaica's SPCR for Sub-Committee approval of PPCR funding.

Sincerely,

Patricia Bliss-Guest
Program Manager
