

Meeting of the CTF Countries
Istanbul, Turkey
Thursday, November 1, 2012

Final Agenda

8:30 am *Registration*

9:00 am – 9:30 am *Opening and Introduction*

9:30 am – 12:30 pm *CTF Implementation Experiences and Lessons Learned*

The first 13 CTF investment plans were endorsed by the Trust Fund Committee between January 2009 and March 2010. To date, although half of the CTF funding has been approved, progress on implementation has been uneven. Many countries are now revising their investment plans to reflect changing circumstances on the ground; three countries have already revised their investment plans and ten countries are expected to present revisions or updates to the Trust Fund Committee in November 2012 or May 2013.

This session intends to draw experiences and lessons learned from the CTF countries focusing on several key questions: (1) What are the top 3 lessons from each country's participation in the CTF? (2) What is the experience of in-country coordination and country ownership toward a programmatic approach for transformation? (3) What are the main challenges and barriers and what can be done to address them? (4) How have circumstances in countries changed since investment plans were endorsed?

Countries will also be invited to share experiences on implementing projects financed by the CTF.

12:30 pm - 12:45 pm *Briefing on Consultations for Trust Fund Committee Seats*

The CTF Program Coordinator will brief countries and respond to questions on the consultations for selecting countries to sit on the CTF Committee and Joint CTF-SCF Committee. The consultations will be held in Istanbul on Monday, November 5, 2012.

12:45 pm – 1:00 pm *Wrap-up and Closing*

1:00 pm – 2:00 pm *Lunch*

Note: The following session is open to CTF countries and contributor countries only.

2:00 pm – 3:45 pm *Consultation on Revised Results Framework*

A revised results framework for the CTF has been proposed with a view to streamlining the indicators. The objective of the session is to (1) seek feedback from the CTF

countries on the proposed results framework prior to its discussion by the Trust Fund Committee; and (2) to get the buy-in of the CTF countries regarding the submission of a revised framework for approval by the Trust Fund Committee.

The CIF Administrative Unit and the MDBs will introduce the proposed revised logic model and results framework. Representatives from CTF countries will work in groups to provide feedback and recommendations on the proposed results framework.

(The Meeting of the CTF Countries will be followed by a Master Class on Wind Power and Biodiversity Issues from 4:00 pm to 6:00 pm.)
