

Meeting of FIP Pilot Countries

Istanbul, Turkey

Wednesday, October 31, 2012

Final Agenda

8:30 am *Registration*

9:00 am - 9:30 am *Opening and Introduction*

9:30 am – 11:30 am *Updates from Pilot Countries and Discussion*

Pilot countries will be given the opportunity to update meeting participants on the status of their investment plans, with particular focus on the progress they have made in setting FIP targets and baselines for results monitoring as they get ready to move into the implementation stage. Participants should touch on the methodologies to capture data for the indicators and challenges for estimating GHG emissions reductions from FIP investments. Each country will have 10 minutes to make a presentation.

11:30 am - 1:00 pm *Presentation of FIP Learning Product Draft and Discussion*

The *FIP Learning Product on REDD+ Collaboration at the Country Level* will be presented along with the findings from the visits to four FIP pilot countries (Burkina Faso, Democratic Republic of Congo, Indonesia and Peru). The presentation will be complemented by selected video clips from the visits. Participants will discuss the key messages from the report.

1:00 pm – 2:00 pm Lunch Break

2:00 pm – 2:45 pm *FIP M&E Show Case (TENTATIVE)*

A FIP pilot country (TBD) will have an opportunity to present a case study on experience with FIP M&E. The purpose of the session is to share lessons with other pilot countries in anchoring FIP M&E within the national M&E system

2:45 pm - 3:00 pm *Briefing on Consultations for Sub-Committee Seats*

The CIF Administrative Unit Program Manager will brief pilot countries and respond to questions on the consultations for selecting countries to sit on the FIP Sub-Committee and Joint CTF-SCF Committee. The consultations will be held in Istanbul on Monday, November 5, 2012.

3:00 pm – 3:15 pm *Wrap-up and Closing*

Note: The following session is open to pilot countries and contributor countries only.

3:15 pm – 6:15 pm *Pilot Country Consultations on revised FIP Results Framework*

The pilot countries will have an opportunity to discuss the revised DRAFT FIP Results Framework. The CIF Administrative Unit and the MDBs will introduce the revised logic model and results framework. Subsequently, the participants will have a chance to discuss the proposed results framework in working groups. The objective of the section on the revised results framework is to

- (i) seek final feedback from the pilot countries on the DRAFT; and
- (ii) prepare the pilot countries for the FIP Sub-Committee meeting.
