Nepal: Building Resilience to Climate Related Hazards (Additional Financing, BRCH-AF)
(PPCR) (IBRD)
Comments received from the United Kingdom

Dear Mafalda,

Many thanks to the CIF Admin Unit for the useful phone conversation last week, and for the compiled comments attached regarding the concept note for Nepal: Building Resilience to Climate Related Hazards-Additional Financing.

The UK is satisfied that this answers our queries concerning the note, and we look forward to seeing the project proposal once developed.

Kind regards,
Emma
