Mafalda,

Many thanks for the work programme for enhancing observers' participation in the CIFs.

The UK is happy to approve the decision.

However, could I point out that :

- In para 3 a meeting date hasn't been added, and;
- In the budget column the work plan is less than clear, including * and numbers, which are not explained.

It would be useful if you could clarify on these two points/revise the paper accordingly.

Thanks,

Ben
