

The Effective Deployment of Mitigation Finance: The Experience of the CIF

Panel discussion at CoP 21

December 7th 10:00-11:30

Africa Pavilion, Blue Zone, Hall 3, Room 2

The discussion will:

- Identify vehicles and approaches that can deliver the financing necessary to close energy funding gaps in developing and emerging economies
- Explore how an enabling environment can be created to leverage private sector financing
- Provide examples of countries that have effectively utilized scaled-up climate financing

Panel:

Mafalda Duarte, *Manager, Climate Investment Funds*

Zaheer Fakir, *Chief Policy Advisor: International Relations and Governance, Department of Environmental Affairs, Govt. of South Africa*

Ingrid Hoven, *Director General, BMZ, Govt. of Germany*

Aaron Leopold, *Global Energy Advocate, Practical Action*

Zoe Norgate, *Head of International Climate Fund Team, Department of Energy and Climate Change, Govt. of UK*

Alex Rugamba, *Director, Department of Energy, Environment & Climate Change, AfDB*
