Agenda 4

**FIP INVESTMENT PLAN FOR TUNISIA**

## **PROPOSED DECISION**

The FIP Sub-Committee, having reviewed the Document FIP/SC.17/4, *FIP Investment Plan for Tunisia*, recognizes the extent to which the pledges by the contributing member countries to the FIP have been allocated, and in line with its decision in May 2015.

The Sub-Committee encourages the Government and the MDBs to actively seek resources from other bilateral or multilateral sources to fund the investment plan.
