Contents

- Key elements of a FIP IP
- Joint IP preparation
- Important

The Two Phases of FIP

Investment Plan
Preparation
Phase

Implementation
Learning,
Monitoring,
Reporting

Contents of a FIP Investment Plan

1. Description of the country and sector context
2. Identification of opportunities for Greenhouse gas abatement
3. Enabling policy and regulatory environment
4. Expected Co-Benefits from FIP Investment
5. Collaboration among MDBs and with other Partners
6. Identification and rationale for projects and programs to be co-financed by FIP
7. Implementation potential and risk assessment
8. Financing plan and instruments
9. Results Framework for the Investment Plan

Contents of a FIP Investment Plan

Annexes

- 1: Proposed project pipeline including for the DGM and notional resource allocation
- 2: Stakeholder involvement plan. Assessment of relevant stakeholder groups and how they have been involved in the design and will be involved in the implementation of the Investment Plan and related projects and programs
- 3: FCPF/UNREDD Readiness Preparation Proposal (R-PPs), National REDD+ Plan, Action Plan or equivalent (if available)
- 5: Technical review of the country Investment Plan by an expert/peer review group (from FCPF roster of experts)

Dedicated Grant Mechanism for Indigenous Peoples and Local Communities (DGM)

- DGM is a part of the FIP, to be integrated in the IP
- DGM funding is additional to country FIP envelope
- It is a model to directly partner with and provide grants to communities in forests/REDD+
- DGM investments are expected to be complementary to FIP financed activities in the country

IP Preparation Sequence

1. First Joint Mission and Country Programming Budget Request (for MDB teams)

2. Request for Investment Plan Preparation Grant (optional)

3. Development of IP and subsequent Joint Mission(s)/Technical Mission(s)

4. Independent Technical Review

5. Submit IP for FIP Sub-Committee Endorsement

-- Endorsement of IP --

Lead MDB

Country +MDBs

CIF AU

Country

FIP SC

1. First Joint Mission

- Terms of Reference and Mission Agenda agreed jointly by Country and MDBs
- Submitted 5 weeks in advance for review and budget approval
- During the mission agree on studies/information needs, preparation grant requirement and Lead MDB
- MDBs submit External Joint Mission Report (i.e., Aide Memoire) to CIF AU within 30 days following the completion of the mission for posting on the CIF website.

2) IP Preparation Grant

Request for Investment Plan Preparation Grant

- 1) An IP Preparation Grant of up to \$250,000 can be made available to FIP countries for work that may be required to develop or complete the IP, including stakeholder consultations and planning sessions.
- 2) Government submits the request to the CIF AU for approval by the FIP MDB Committee. Request for Preparation Grant should specify which MDB will channel the funds for implementation of this Grant. Request for preparation grant may be submitted together with the notification of a Joint mission or thereafter.

3) Development of IP

Development of IP and subsequent Joint Mission(s)

- 1) The IP is the country's document developed under the leadership of the client country with support from relevant MDBs;
- 2) During the development of the IP, additional joint missions may be conducted as needed;
- 3) Lead MDB and other MDBs collaborate on the drafting of the Plan with the Government;
- 4) IP includes project concepts and preparation budget request

Last steps

4. Independent Technical Review of Investment Plan

Facilitated by CIF AU prior to finalizing the Plan; can take up to 4 weeks;

5. Submit IP for FIP Sub-Committee Endorsement

Government submits IP 4 weeks prior to SC meeting;

6. Presentation at FIP SC Meeting

Government presents the Plan. Review and Decision by FIP SC at the meeting

Useful to Note

- Stakeholder dialogue and sharing of information on proposed projects are important
- Make available draft plans on government websites for domestic stakeholder comments prior to finalizing the IP for endorsement
- Plan ahead for 4 weeks review time and comments preparation during independent review and again for FIP SC review
- IP needs to be posted for public commenting for at least 2 weeks prior to submission to FIP SC
- Make draft investment plans available to the Sub-Committee as early as possible

THANK YOU!
