

**Acknowledgement of report on FIP Pilot Country Meeting**

The FIP Sub-Committee welcomes the report that was presented on behalf of the meeting participants by Mr. Victor Kabengele Wa Kadilu, the representative of the Democratic Republic of Congo, on the outcomes of the second meeting of the FIP pilot countries that was held on June 22, 2011, in Cape Town, South Africa. The FIP Sub-Committee noted that the FIP Pilot Country Meetings provide a useful opportunity for pilot countries to share lessons learned and will continue to be an important avenue to support pilot countries as they move into the implementation stage of the FIP.
