Special Initiatives – Update on ongoing activities 1/3

No special initiatives are proposed for FY18. Ongoing activities in FY17 include the following:

- **FIF Collaboration Platform**: Initial development was completed in FY17
- Evaluation and Learning Initiative: Call for Proposal generated 11 activities under implementation
- **DIME Engagement:** Funding approved in FY15 to promote evidence-based learning in the CIF. Implementation ongoing in Mozambique and Burkina Faso. Proposal was made to drop the project in Brazil and replace with a FIP project in Indonesia
- Multi-Tier Access Framework to support investment planning in SREP countries implemented jointly with ESMAP: Multi-Tier Access Framework (MTF) instrument completed and piloting in 10 SREP countries ongoing.

CIF

Special Initiatives – Update on ongoing activities 2/3

- Strategic analysis (CTF 2.0): Consultations with credit rating agencies and advancing the legal structure and domiciliation analysis to support the proposal
- Collaboration with PROFOR team: This ongoing activity allows FIP to partner with PROFOR to extent the use of the tool in up to two FIP pilot countries
- Promoting innovation in CIF knowledge management initiative by MDBS: Awarded to six proposals submitted by MDBs for knowledge activities and meet some or all the criteria for being strategic, innovative, participatory, and applied.

CIF

Special Initiatives – Update on ongoing activities 3/3

- Funding for investment plan review for IPs and SPCRs
- Four risk management dashboards one each for CTF, PPCR, SREP, and FIP—have been developed
- Support to GHG analysis and harmonization of methodology: CIF funding, along with other partners, supports the development of a joint database of emission factors in the energy sector
