June 25, 2014

SUMMARY OVERVIEW

- ❑ Climate change impacts are not gender-neutral: thus attention to gender is needed in both mitigation and adaptation finance responses
- ❑ *CIF Gender Review* (2013) found significantly more efforts could be made to strengthen gender-responsive approaches in the CIF
- ❑ *CIF Gender Action Plan FY15-16* seeks to mainstream gender in CIF policy and programming in support of gender equality goals via:
(i) policy, (ii) program support, (iii) analytical work, (iv) monitoring & reporting, (v) knowledge & learning, (vi) additional MDB activities
- ❑ Plan to be implemented as joint effort of pilot countries, MDBs, and CIF AU; spearheaded by Sr. Gender Specialist together with CIF Gender Working Group of MDB representatives
- ❑ Plan will build on existing MDB gender policies & safeguard measures, while undertaking closer monitoring of activities, generation of new knowledge, and enhancement of shared learning on gender in the CIF
