COMMENT SUBMITTED BY GERMANY

Dear Mafalda, dear all,

thanks for the aforementioned reallocation proposal. I have got the following query so far: Are the financial terms – which are not mentioned at all – intended to stay the same as with the original submission? In any case please provide comprehensive information about the financial terms to enable an informed decision.

Besides, I would like to ask for an extension of the deadline until October 10.

best

Michael Kömm
