**[APPROVE BY MAIL]: INDIA: SOLAR POWER TRANSMISSION SECTOR PROJECT (CTF)  
(ADB)-XCTFIN228A**

**COMMENT SUBMITTED FROM THE UNITED STATES**

Dear CIF Administrative Unit,

Thank you for the opportunity to review this project, and for quickly responding to the answers from other TFC members. We are happy to approve this project, provided that we get confirmations that it will not engage in any procurement restriction practices. From our review, it does not appear that it will, but we just want to be sure. Thanks again.
