

Approved at PPCR SC meeting November 2, 2011

**Request to improve gender balance in roster of experts for the PPCR and request for stocktaking of PPCR resource availability**

*Update on Improving Gender Balance in the PPCR Roster of Expert*

The PPCR Sub-Committee requests the CIF Administrative Unit and the MDBs to undertake efforts to improve the gender balance in the proposed roster of experts available to independently review the SPCRs. The Sub-Committee takes note that the CIF Administrative Unit is currently reviewing seven additional resumes of female candidates to be included in the roster.

*Stocktaking of Resources Allocation to PPCR Pilots*

The PPCR Sub-Committee requests the CIF Administrative Unit to provide by mail a report on the requests from governments for PPCR resources and a stocktaking of funding availability so as to provide a better understanding of the financing situation.
