Approval by mail: Chile: Concentrated Solar Power Project - Amendment (CSPP) (IDB) CTF – Response from Germany

Dear Mafalda and IDB-Team,

Thank you very much for your response to our query.

Good to see that IDB foresees a risk-adjusted pricing for this subordinated facility.

We have therefore no further objections to the project subject to a target pricing for the CTF-contribution in the range of 250 bps.

Kind regards

Romeo
