**IFC's response to the United Kingdom**

IFC would like to confirm that in each of the five proposals, *Philippines Renewable Energy Accelerator Program*, *Vietnam Sustainable Energy Finance Program*, *Thailand Sustainable Energy Finance Program*, *South Africa Sustainable Energy Acceleration Program*, and *South Africa Energy Efficiency Program*, it will incorporate the development impact indicators: i) outlined in the development impact section of the proposals; ii) agreed to in the subsequent comments and responses; and iii) outlined in the results measurement framework to be approved by the CTF TFC.
