**Comments from Japan on IFC's Vietnam: Sustainable Energy Finance Program (V-SEF)**

Dear Patricia,

Thank you for preparing the project documents for Vietnam Sustainable Energy Finance Program.  
Japan International Cooperation Agency has extended its concessional loan to EE and RE projects in Vietnam through Development Bank of Vietnam.  
We request the team to share the relative information of each project of the program with Japan International Cooperation Agency (contact point: Ms. Junko Morizane; Morizane.Junko@jica.go.jp) in order to avoid overlaps and maximize effective delivery of actions and supports.

Sincerely,

ncerely,
