**RE: Approval by Mail: Endorsement of the Revised Investment Plan for Nepal (SREP) – Comments received from Switzerland**

Dear Mafalda,

Thank you for circulating the decision about the revised IP for Nepal.

We also thank Nepal and the concerned MDBs for the answers to our and the UK's questions.

We support the endorsement of the decision to revise the SREP investment plan for Nepal according to the circulated proposal.

We join the UK in encouraging Nepal and the MDBs to inform the SREP Subcommittee about the impact of the latest tragic events in Nepal on the ongoing programming of projects and the adequacy of the IP revision.

Thank you and best regards

Daniel
